

AVERAGE INTERNATIONAL FLIGHT TIMES

Chicago boasts two world-class airports, making it one of the most accessible cities in the world. Both airports are close to downtown: O'Hare International Airport (18 miles from McCormick Place) and Midway International Airport (11 miles from McCormick Place). Shuttles and taxis are available from both airports, with rates from \$40-50 from O'Hare and \$30-35 from Midway. Car rentals are available, and access to the city via Chicago Transit Authority buses and rail lines is easily navigable from both airports.
